

DIANNE DEERING ANTON

**SENIOR VICE PRESIDENT
CONTRACTS AND SUPPLY CHAIN MANAGEMENT**

Dianne Deering Anton is Senior Vice President, Contracts and Supply Chain Management for Alliant Techsystems (ATK), a premier aerospace and defense company with more than 18,000 employees and revenue of approximately \$4.8 billion. She is responsible for ensuring effective management of all aspects of ATK's contracts and strategic agreements, and supply chain management.

Prior to being named to her current position in November 2003, Dianne served as Vice President, Contracts and Strategic Agreements, for the ATK Precision Systems Group. Before joining the Precision Systems Group, she served as Executive Vice President of Operations and Vice President and Controller for ATK Integrated Defense (now ATK Ordnance Systems). She also has held contracts, program management, marketing, and production control positions during her 25 year career with ATK and Honeywell.

Dianne holds a Bachelor of Science degree from the University of Wisconsin–Eau Claire and has completed an Executive MBA course at the University of Minnesota Carlson School of Business. She has been a participant in the Twin Cities Mentium Program, an executive development program for female executives in the Minneapolis–St. Paul area.
