

EXPORT CONTROL AND DDTC REGISTRATION CERTIFICATION

Export Control

I understand that Alliant Techsystems Inc., Tactical Propulsion and Controls Division may provide <Supplier> with **technical data, hardware, or other tooling** (e.g., documentation, software, drawings, and specifications) as defined and regulated by the U.S. International Traffic in Arms Regulations (ITAR) in 22 CFR Parts 120-130 and the U.S. Export Administration Regulations (EAR) 15 CRF Parts 730-774 and are subject to export control laws of the U.S. Government.

I understand that employees, agents, or representatives of our company may not transfer such technical data, hardware, or other tooling by any means to a foreign person, whether in the United States or another country, without prior written approval from ATK and the U.S. Government. Additionally, employees of our company that are a foreign person will not have access to any technical data, hardware, or other tooling supplied to us by Alliant Techsystems Inc., Tactical Propulsion and Controls Division.

Written permission from Alliant Techsystems Inc., Tactical Propulsion and Controls Division must be obtained prior to transferring the technical data, hardware, or other tooling to any other company or non-U.S. person in the United States or any other country.

Our company has effective measures in place to prevent the export of the technical data, hardware, or other tooling provided by Alliant Techsystems Inc., Tactical Propulsion and Controls Division to a foreign person in the United States or other country without the applicable prior written approval of the U.S. Government and Alliant Techsystems Inc., Tactical Propulsion and Controls Division.

In accordance with the Arms Export Control Act and pursuant to ITAR section 122.1, our company:

(Select one)

- is registered** with the DDTC, a copy of the registration will be provided to ATK upon request.
- is not currently registered; however, is involved in the manufacturing of defense articles and/or furnishing defense services **requiring registration**. Registration request will be submitted within 30 days and proof of registration will be provided to ATK upon request.
- is not required to be registered**; we are not involved in the manufacturing of defense articles and/or furnishing of defense services.

NOTE: DDTC Registration – Defense Articles and Defense Services: In accordance with the Arms Export Control Act and pursuant to ITAR section 122.1, if your business is involved in the manufacturing of **defense articles**, or furnishing of **defense services** as defined in the Arms Export Control Act you are required to **register** with the U.S. Department of State Directorate of Defense Trade Controls (DDTC) and have an effective program in place to insure compliance to these regulations. For registration details see <http://pmdtc.state.gov/registration.htm>.
