Subject: COI Ceramics Credit Reference Information

Dear Supplier:

Thank you for your inquiry and request for COI Ceramics to provide you with credit information and/or Account information. It is COIC's internal policy to not sign individual company account applications as we are bound by our government customer's requirements on many of our contracts to flow down special government terms of sale. When these terms apply COIC will issue a Purchase Order that contains these terms. Any special contract terms that are unacceptable to your company should be coordinated and negotiated with the COIC Buyer.

The attached page contains our credit reference information and the appropriate signatures to certify the accuracy of the information for our Company. Please accept this letter and the credit reference document as our request to establish an account with your company.

We look forward to doing business with you and hope that our relationship with your company is long and fruitful for both of us. If you have any further questions please contact your COIC Buyer and they can provide or coordinate any further information that may be needed.

Respectfully,

Michael Shelton – Sr. Supervisor, Purchasing
